FREEDOM OF INFORMATION REQUEST – 1117/18

Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request / Response:

On 7th August 2018 I received a letter from a Planning Advisor of Natural England informing me that Natural England have provided discretionary advice to consultants working on the St George's Barracks/RAF North Luffenham development.

I should be grateful, under the Freedom of Information Act 2000, to receive details (ideally an emailed printed copy) of this advice, as well as details of any other communications between Rutland County Council (or its consultants) and Natural England relating to the St George's Barracks/RAF North Luffenham development. I should also be grateful under this act to receive copies of communications between Natural England and the Ministry of Defence (dealing with the St George's/RAF North Luffenham development) that Rutland County Council may have on record.

Answer: Please find attached a letter from Natural England which was sent to Rutland County Council's consultants.

Rutland County Council does not hold any information in regards to communications with Natural England and the Ministry of Defence.

A meeting took place with Natural England and our Consultants on 31st May 2018. Please find attached the meeting notes from this meeting.
