## FREEDOM OF INFORMATION REQUEST – 350/18

Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request:

I see that £850,000 was approved by Cabinet yesterday for the feasibility study on the St Georges Barracks Officers Mess site

Can I request a breakdown of the budget for this amount – obviously this can be redacted with regard to the commercial entities I assume will be involved, however the amounts for a high level line items overview should not be commercially sensitive?

Response:

The £850,000 is split as follows:

Initial Site Investigations, Valuations and Master planning:	£58,000
Design Development including Contract Documentation	£772,000
Tender Evaluation (Pre-Tender Estimate)	£20,000

These are only preliminary figures at the present moment and the allocation of funds to each of the areas is likely to change.
