Dear Stakeholder,

**Publication of documentation to support inclusion of St. George's Barracks in Rutland County Council's Draft Local Plan.**

I am writing to advise you that we have published the documentation provided to Rutland County Council in support of our application to include St. George's Barracks in the council's Draft Local Plan.

Over the past year we have undertaken detailed analysis of the site to demonstrate its viability for redevelopment and have now published a series of documents to give residents and stakeholders an opportunity to review and understand the evidence base that sits behind the site being put forward for redevelopment.

You can find all the information on the St. George's website: <https://www.stgeorgesrutland.co.uk/supporting-information>

We now await the council's decision later this year as to whether the site will be included in the county's Draft Local Plan.

Yours sincerely,

Catherine Davies
